

SPIFF JEKEY-GREEN

Computer Science | spiffjekeygreen@gmail.com | +2349156009511 | github.com/spiffgreen

Education

Rivers State University - Honors Bachelor of Computer Science

- Graduated with a GPA of 3.7
- Courses in OOP, C++, Compiler, Data structures, Algorithms, Software Design, Networking, Artificial Intelligence, and Databases.

Skills

Languages: Javascript, Typescript, PHP, Python, and GO

Technologies: ReactJS, SQL, Nodejs, Deno, Git, Bash, ExpressJS, NextJS, MongoDB, Redis

Professional Experience

Software Engineering Intern - BusyExpand

Sep 2021 - April 2022

- Wrote modern, performant, maintainable code for a diverse array of client and internal projects, Software Documentation, planning, and testing.
- Fixed currency formatting in plugin-generated page in a WordPress site.
- Implemented data collection, storage, and retrieval feature for a WordPress using excel and custom scripts

Freelance Developer

April 2022 - till now

- Delivered a number of projects for freelance clients
- Contributed to an Open Source project loved by the community
- Built a service to help automate response for businesses using the Botalk library I developed. It offers businesses very little effort for setup, little technical knowledge, etc

Projects

RocketMeme	Meme editing and sharing platform
Duefile	File sharing and Storage platform
CLI-Master	C++ library to ease the development of command-line apps.
Botalk	A simple regex-based Q&A bot library.

Interests

Reading - Hackathons - Body Building - Gaming - History - Article Writing
